Piecing Instructions:

Blocks:

1. Fold each Template C piece in half lengthwise and finger press the fold to mark the convex centers. Open and fold each Template C piece in half widthwise to mark the concave centers. Repeat with each Template A (convex centers) and Template B (concave centers) piece (Figure 1).

Figure 1

2. To make a block, sew one Fabric M and one print Template A piece to each concave curve of Template C, matching ends and centers. Press towards Template A, then sew a Fabric M Template B piece to each convex curve of Template C, matching ends and centers (Figure 2). Using Figure 3 for fabric pairings, placements, and quantities, make (30) blocks total. Label each block as shown in Figure 3. Block should measure 12 1/2" square.

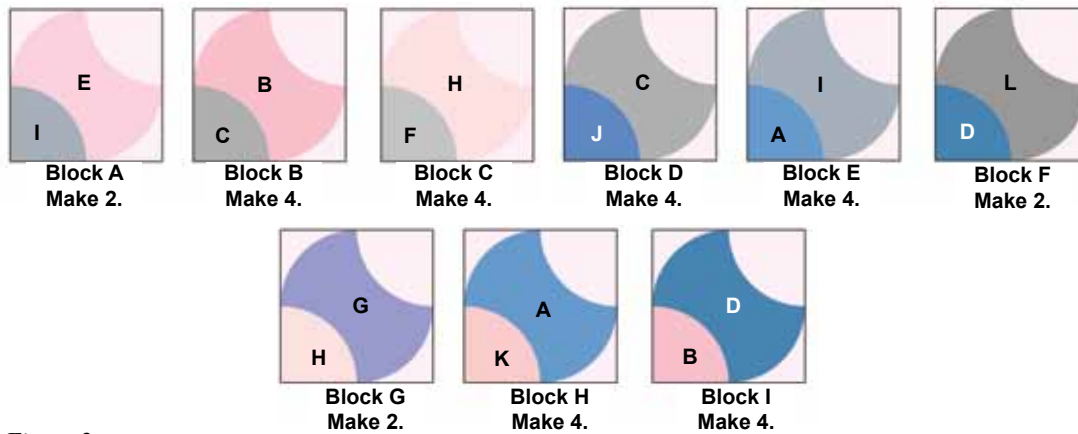

Figure 3

1. Sew the blocks together into rows of five, paying close attention to the quilt diagram for the placement and orientation of each block in each row. Sew the rows together into the quilt top.

Quilt Assembly:

Refer to Quilt Diagram

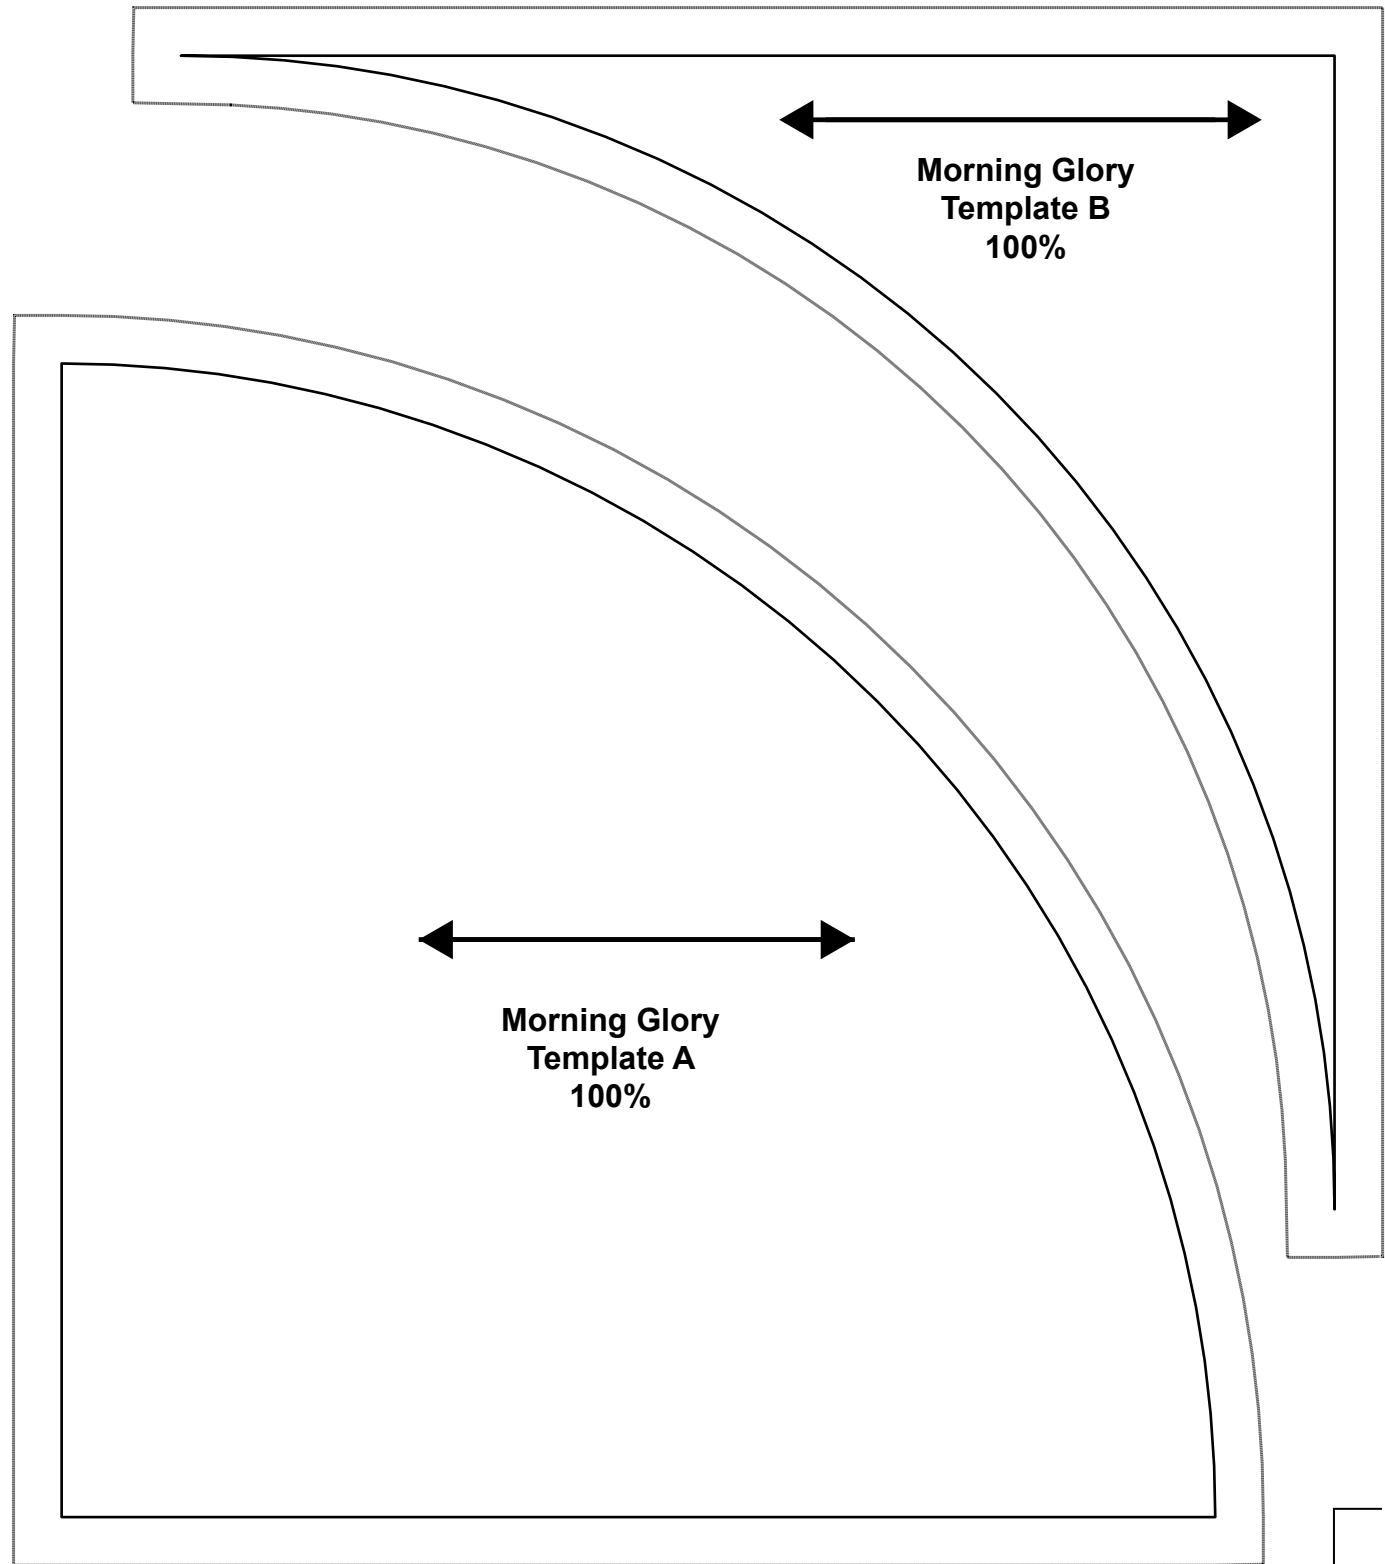

1. Sew the blocks together into rows of five, paying close attention to the quilt diagram for the placement and orientation of each block in each row. Sew the rows together into the quilt top.

Finishing:

1. Prepare backing using two widths with a vertical seam to measure 68" x 80". Press seam open.
2. Layer backing, batting and quilt top. Baste layers together.
3. Quilt as desired.
4. Trim layers even with quilt top, squaring corners.
5. Prepare binding using 2 1/4" A strips and diagonal seams. Press seams open. Sew binding to quilt using your preferred method.
7. Make a label and sew to back of the quilt.
